Company Introduction

Established in early 2000, Vision Mounts is a prime manufacturer who is specialized in designing and producing a comprehensive line of Universal LED/LCD Wall Mounts, Ceiling Mounts, Projector Mounts, Desktop Mounts, TV Stands, height adjustable desks, gaming desks and electric bed frame for Audio/Video applications in home or office, including user-friendly and environmental-friendly mounting solutions.

■ Engineering Capabilities

We have a dedicated R&D and Engineering team to support and to serve our customer's needs.

We introduce cutting-edge designs and state-of-the-art models annually.

■ Production Capabilities

We serve original equipment manufacturers, institutional and industrial customers, professional installers, as well as globe and national-wide retail chains.

■ Quality Assurance

As an ISO9001:2000 certified manufacturer, we have implemented the Total Quality Assurance system from raw material inspection, production processing control, to final inspection and packaging. We are committed to delivering the highest quality products that are easy to install and maintain with a competitive cost saving solutions.

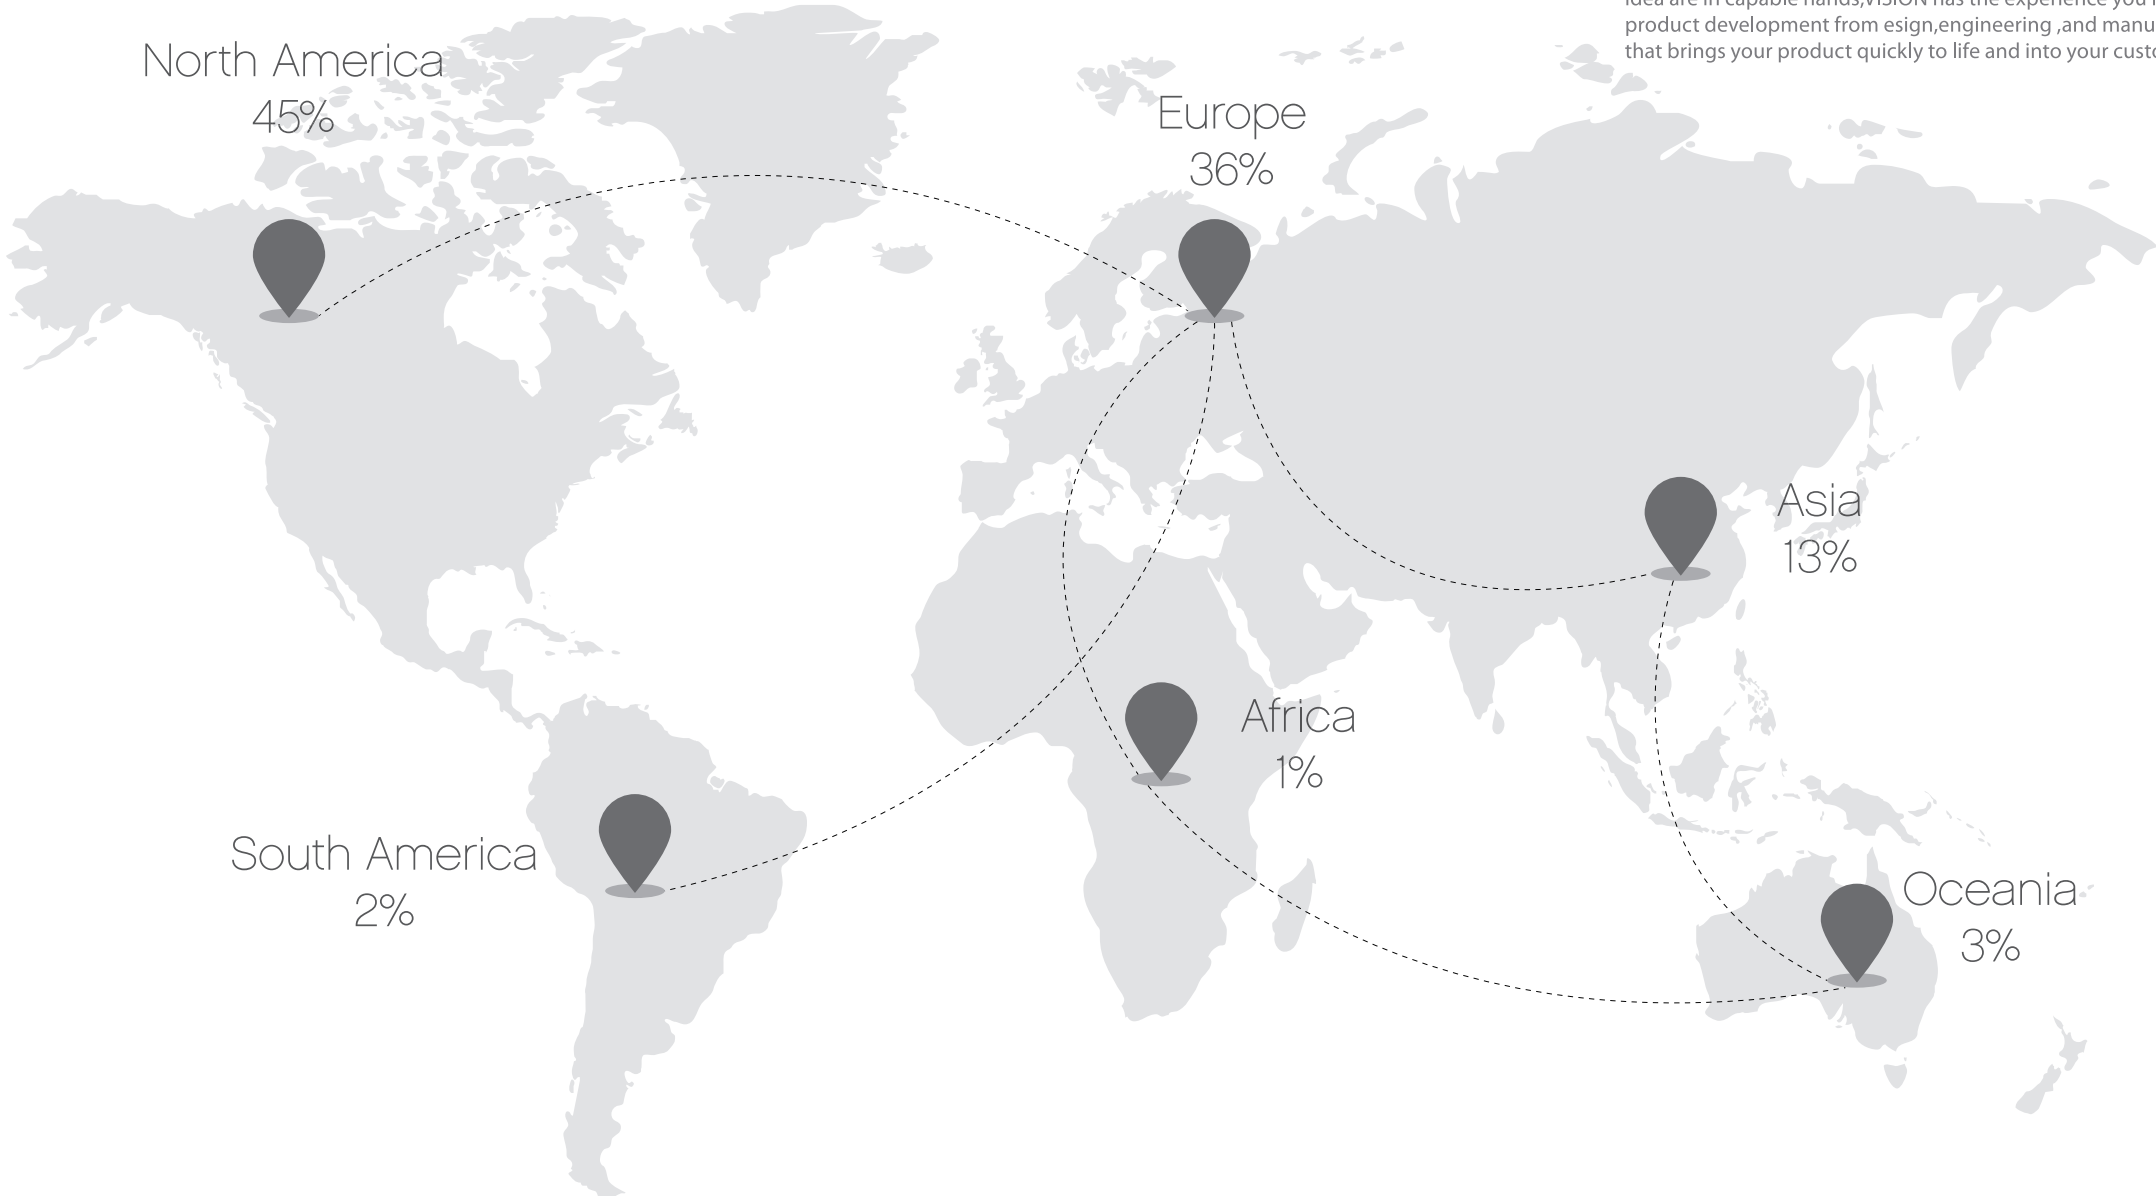

We have a significant amount of products are TUV certified and comply with GS regulations.

■ Customer-Care-Services

Our devoted customer-care-service teams always ensure that your inquiries are responded in a timely fashion and your orders are on-time delivered. Customer satisfactions are guaranteed.

Trade Capacity

Having the right team involved from the beginning to the end of your project allows you to rest easy with the peace of mind knowing your investment and idea are in capable hands, VISION has the experience you need for successful product development from design, engineering, and manufacturing know how that brings your product quickly to life and into your customer's hands.

The World's Major Exhibition

We focused on supplying the innovative and affordable solution for global customers.
